Superintendents: Mike and Tracy Rine 304-845-4437

Meat Goats: These are usually already in your possession when you sign up for the project. They are not sold, only shown. They can be does of any meat breed or percentage. They cannot be shown in pygmy classes or dairy classes. *Female* market goat backups that are not used as a market project may be used as a meat doe project for FFA or 4-H. No wethers may be shown in the breeding meat goat show. You do not have to weigh meat does in (unless it is a backup market goat). Bucks may be shown as long as they are 12 months old or younger at fair time. These goats do not need to be disbudded or dehorned. This project also participates in showmanship. They must be Scrapie compliant. Shown with collar and lead--especially if they are horned. The 4-H Meat Goat Project books are entitled: *Just Browsing*, *Get Growing with Meat Goats*, and *Mealing the Future*. All goat projects use the same record guide.

Meat Doe Classes:

The divisions for the meat doe show are as follows:

Doe kids (age day of show):

We do not recommend using sprays, powders, dyes, or the like. All goats must have Scrapie tags or tattoos. Any animal shown in the meat show cannot be shown in another show (dairy, pygmy, or market)!

SECTION F2: Youth Market and Meat Goats

Market rabbits

(classes to be decided day of show)

Market Rabbits: Rabbits in this project are shown and sold at auction. You must have a pen of three. Rabbits shown as a pen of three cannot be shown singly. Meat breeds of rabbits are recommended. If you are unsure of what constitutes a meat breed, please consult the superintendent. The purpose of this project is to raise three rabbits as closely in weight and size as possible. You must own the doe that is the mother of your market pen. You must show either the mother of the pen or the father of the pen at the fair also. Each rabbit exhibitor will be limited to 2 pens of rabbits total (one market pen and one mother/father of pen). You must check in the does that you will breed for your market pen at the Rabbit Round-Up. Rabbits cannot be over 12 weeks of age at fair time and may be of either sex. Showmanship is mandatory. You must provide a means of transporting your rabbits to the show and sale (ie: milk crate, bucket, carrier, etc). The 4-H Project Books for rabbits are entitled: *What's Hoppening?*, *Making Tracks*, and *All Ears*. You need to have a market rabbit record guide.

Show Rabbits: These rabbits are shown as a single. There are categories for both bucks and does. Mini breeds and standard breeds show separately. Further classes will be decided as entries dictate. These rabbits are not sold. These are also usually already in your possession when you sign up for the project. The mother doe or father buck of your market pen, if doing a market project, must be shown as a single rabbit entry. Must complete a record guide for this project. Showmanship is mandatory. They must also have a carrier. The 4-H Project Books for rabbits are entitled: *What's Hoppening?*, *Making Tracks*, and *All Ears*. You need to have a show rabbit record guide.
